*Fee Structure Disclaimer

- All account fees will be automatically deducted in EUR from your EUR IBAN.
- UK based business customers will adhere to identical fee parameters for one additional GBP IBAN.
 - Account funding is available via EUR, GBP, USDC (plus ETH for gas fee transactions), or BTC.
 - In the absence of available EUR/GBP balances, your USDC/BTC/ETH funds will be utilized automatically in the mentioned order.

For all account holders:

- Initial sign-up fees are payable in EUR
- Monthly account maintenance charges are denominated in EUR
- All EUR-denominated transaction fees are deducted from your EUR account
- Transactions conducted in non-EUR currencies incur fees in their respective transaction currencies.
